

NHCP-LTCF - Small Grants Program - Year 4 - 2022/2023

Wildlife Habitat Canada / Habitat Faunique Canada

Introductory Information

Natural Heritage Conservation Program - Land Trusts Conservation Fund

Small Grants Application

This application process is for the "**Small Grants Program**" https://whc.org/wp-content/uploads/2020/07/NHCP-LTCF-Small-Grant_Guidelines_2020-2021_FNL.pdf under the NHCP-LTCF.

This application form is to be completed only for projects with a monetary ask of **between \$5,000.00 and \$30,000.00** to cover securement (purchase price) costs and/or cover eligible associated costs for land securement projects (e.g., staff time, appraisal, legal fees, etc.). Eligible projects must have a closing date between April 1, 2022 and December 15, 2022.

Capacity Building Support

In an effort to provide support to Canadian land trusts in successfully engaging with the NHCP-LTCF, the Ontario Land Trust Alliance, the Land Trust Alliance of British Columbia and the Réseau de milieux naturels protégés are working collectively to provide capacity building services to support land trusts in successfully engaging with the LTCF.

If this support is of interest to you and you have not already done so, we encourage you to contact your regional representative directly:

- Morgan Roblin, Conservation Manager – Ontario Land Trust Alliance (supporting land trusts in Ontario and Atlantic Canada - English speaking)
- Marilou Bourdages, Executive Director – Réseau de milieux naturels protégés (supporting land trusts in Quebec and Atlantic Canada - French speaking)
- Paul McNair, Executive Director – the Land Trust Alliance of British Columbia (supporting land trusts in British Columbia, Alberta, Manitoba and Saskatchewan)<mailto:phyllis.lee@olta.ca>

Only organizations that meet all of the criteria (see "**Small Grants Program Guidelines**") are eligible to apply to the NHCP-LTCF.

Only one project may be proposed on each Application Form. A land trust may submit a maximum of two project proposals (Application Forms) for immediate consideration. Each submitted application is considered as a stand-alone application. Additional projects beyond this maximum will automatically be placed on a waiting list. Eligible waiting list projects will only be considered after the **August 3, 2022** application deadline, if program funds are still available.

Applications will be considered in the order in which they are submitted, on a first-come, first served basis until all funds are awarded.

WHC will be regularly updating its website during the application window to indicate the amount of funds that are still available.

Questions? Please contact Sonia Blanchard (sblanchard@whc.org<mailto:jburns@whc.org>).

CAUTION: It is the full responsibility of the applicant to complete the Application Form with all correct, requested information and documentation. Any incomplete and/or poorly completed Application Forms may not be considered.

NOTE: To meet document size restrictions on uploaded files, please upload **REDUCED** file size PDFs as needed.

Organization Eligibility

Is your organization a registered Canadian charity?*

Choices

Yes

No

Please provide your Canadian Charitable registration number:*

Character Limit: 50

Is your organization a Canadian Land Trust?*

A Canadian Land Trust is defined as a not-for-profit conservation organization that, as all or part of its mission, actively works to conserve land by acquiring land or Conservation Agreements (or assisting with their acquisition) and/or stewarding/managing land or Conservation Agreements. (CLT Standards & Practices 2019).

Choices

Yes

No

Canadian Land Trust Standards and Practices (2019)*

Is your organization in compliance or working towards substantial compliance with the Canadian Land Trust Standards and Practices (2019) or the *Guide des bonnes pratiques en intendance privée: aspects juridiques et organisationnels*?

Program and Project Eligibility Requirements

Acknowledgement of Requirements:

If you are unable to answer the questions below, please contact Sonia Blanchard to discuss your eligibility prior to continuing with your application.

Review of Program Guidelines:*

On behalf of my organization ("Applicant"), I confirm that I have read the "NHCP-LTCF Small Grants guidelines 2022-2023", and agree to the program requirements.

Choices

Yes

No

Recipient of Program Funds:*

If the project is approved for funding, the Applicant confirms that it will be the receiving entity of program funds and will be in whole or in part on title at the time of closing, or be a signatory to the conservation agreement.

Choices

Yes

No

Funding Agreement with the Nature Conservancy of Canada:*

The Applicant is prepared to sign and adhere to a Funding Agreement with the Nature Conservancy of Canada (NCC) if approved for program funds under the NHCP-LTCF Small Grants program.

Please ensure that you have reviewed the "Funding Agreement Template" prior to the submission of your application.

Choices

Yes

No

Project Eligibility:

Project Overview*

Please provide a brief overview of the project, including why this land was identified by the Applicant as important to secure.

If the project involves multiple parcels, please include how the land meets the following requirements:

- parcels are in the same vicinity (adjacent or in a continuous protected land unit);
- parcels are connected through ownership relationships (such as multiple members of the same family or business partners).

If the project involves multiple parcels please refer to the Project Definition in the "Guidelines" and describe how the project meets the requirements.

Character Limit: 5000

What is your project's closing date?*

Please note that the proposed project must close between April 1, 2022 and December 15, 2022 to be eligible.

Character Limit: 10

Protected Area or Other Effective area-based Conservation Measure.

To be eligible for program funds, project land must qualify as either a **Protected Area (PA)** or **Other Effective area-based Conservation Measure(OECM)**.

Protected Area (PA): *A Protected Area is “a clearly defined geographical space, recognized, dedicated and managed, through legal or other effective means, to achieve the long-term conservation of nature with associated ecosystem services and cultural values.” (One with Nature definition, 2019).*

Other Effective area-based Conservation Measure (OECM)*: *An OECM is broadly defined as “a geographically defined area other than a Protected Area, which is governed and managed in ways that achieve positive and sustained long-term outcomes for the in-situ conservation of biodiversity, with associated ecosystem functions and services and where applicable, cultural, spiritual, socio-economic, and other locally relevant values.” (One with Nature definition, 2019).*

*If your project involves a unique mechanism for conservation or an OECM, please contact WHC to discuss the details of your project before submitting an application. Note: successful applications with projects involving a unique mechanism for conservation or an OECM will require approval by ECCC before a Funding Agreement between NCC and the Applicant can be signed (WHC and NCC will facilitate the ECCC request for approval).

A Decision Support Tool exists to provide support in assessing whether or not an area contributes to Canada Target 1. Applicants are encouraged to review the "**Decision Support Tool**" and assess their project land using the **Decision Support Tool Screening Template for Protected Areas and OECMs** to determine whether the area can be counted towards Canada Target 1.

For further information, an overview of the **Accounting for Protected and Other Conserved Areas** can be found on the Pathway to Canada Target 1 website.

Is the project either a PA or an OECM?*

Please indicate which type your project meets the requirements for:

Choices

PA
OECM

Description of PA or OECM classification:*

Please provide a brief description explaining why you have identified your project as a PA or an OECM:

Character Limit: 2500

Standards Compliance & Stewardship Endowment Fund Policy - Compliance/Substantial Compliance:*

Please upload a copy of a Board resolution or attestation from a senior officer confirming:

- The organization's status with regard to **compliance/working towards substantial compliance** with CLTSP 2019 or *Guide des bonnes pratiques en intendance privée: aspects juridiques et organisationnels*; AND,
- That the organization has an **established stewardship endowment fund policy** (that meets the requirements set out in section A-30 of the Small Grants Guidelines).

File Size Limit: 3 MB

Section 1 - Contact Information

NOTE: The applicant organization is the only organization that should correspond with WHC directly regarding the application. Unless a 'partnering' organization is named in the application, no correspondence whatsoever from them to WHC regarding the application will be acknowledged.

Land Trust Name:*

Character Limit: 100

Primary Contact Name & Title:*

Please provide the name of your project.

Please keep the project name simple and concise - one to three words.

Character Limit: 150

Property name (if different from Project Name):

Legal Name of Property:

Character Limit: 250

Project property address:*

Please provide full property municipal address (including postal code):

Character Limit: 100

Province or Territory where land is located:*

Please select from the drop down list below in which province the land is located:

Choices

Alberta

British Columbia

Manitoba
New Brunswick
Newfoundland and Labrador
Nova Scotia
Ontario
Prince Edward Island
Quebec
Saskatchewan
Northwest Territories
Nunavut
Yukon

Number of property parcels in project:*

Character Limit: 12

Parcel Grid:*

Upload a parcel grid of the property (use the "Parcel Grid" template):

CAUTION: Property Identification Number(s) (PINS) or Roll Number(s) **MUST** be included in the Parcel Grid.

CAUTION: The total number of hectares indicated on the Parcel Grid should be an **exact match** to the number of total hectares for the project, claimed on the application form in the previous section. ***No rounding please**

File Size Limit: 3 MB

Map of project land:*

Please upload a map of the project land(s), which clearly illustrates the boundaries of the property(ies).

File Size Limit: 5 MB

Project hectares: Decimal*

Please indicate the number of hectares that will be secured by the project (NOTE: this number should match the total number of hectares indicated in the submitted ("Parcel Grid"))

***It is the full responsibility of the Applicant to ensure that the hectares committed in the project application will ONLY be counted under the NHCP-LTCF Small Grants program and not towards another Canadian federal funding program.*

Character Limit: 20

Spatial Data:*

UTM Coordinates and UTM Zones:*

Please upload a file containing the spatial information.

CAUTION: Information **MUST** be provided in one of the acceptable formats listed below. If information is not provided in an acceptable format, the application may be deemed incomplete and not considered for funding.

Option 1): GIS spatial data that contains the boundaries and names for each parcel included in the property. Acceptable formats are **ESRI file geodatabases, ESRI layer packages or shapefiles (full suite needed: dbf., shp., prj., sbn., sbx., shx., cpg)** or KMLs:

NOTE: Google Earth files are not acceptable.

NOTE: Coordinates must point to boundaries of the project land, NOT to areas within the project land.

OR

Option 2): A table or spreadsheet with the Northing and Easting coordinates and corresponding name for all parcel vertices of the property, UTM zone and datum. Acceptable formats are **word documents, excel spreadsheets, rich text format or pdfs.**

File Size Limit: 5 MB

Indicate Project Ecoregion and/or Natural Subregion:*

Is the project an Ecological Gift?*

Choices

Yes

No

Does the project involve multiple landowners?*

A project may share up to 2 individual landowners.

Any proposed project with more than 2 individual landowners will be considered on a case by case basis, and must provide a clear rationale as to why multiple ownership is essential to the successful completion of the project.

Choices

Yes

No

Cross-Border Partnership:*

The use of American Friends of Canadian Conservation (AFCC) or American Friends of Canadian Nature (AFCN) are an allowable mechanism to help land trusts acquire lands from American donors.

Application Forms must be submitted by the land trust, not AFCC or AFCN.

It is the full responsibility of the applicant to understand and adhere to the rules and requirements involved in land acquisition with American donors.

Does this project involve AFCC or AFCN?

Choices

Yes

No

Species at Risk:

Please list the species at risk anticipated or confirmed to be on the project property and identify whether the species are included on the SARA and/or COSEWIC list.

Conservation Plan - Key Conservation Area*

Only priority projects determined through a documented conservation planning process are eligible under the NHCP-LTCF.

Eligible projects must:

- be in a **Key Conservation Area (KCA)**, which means that the project falls under an existing Conservation Plan.
- the project land must be **identified as a priority** under the applicable Conservation Plan.

Please identify the conservation plan that the project land falls under:

Choices

NACP - Natural Area Conservation Plan

NAWMP - North American Waterfowl Management Plan

Priority Places and other Federal, Provincial or Territorial government plans

Other science based plan developed by the land trust

N/A - Conservation rationale/case for the conservation required

KCA Context*

In a few sentences, please identify how the project land is identified as a priority under the conservation plan. If applicable, please include page reference(s). If the project land falls under multiple Conservation Plans, please list them here.

Section 2 - Additional Questions (Multiple Landowners)

Multiple Landowners:

The following questions are as a result of selecting "Yes" to the question: "Does the project involve multiple landowners?" in Section 2 - Project Details.

Rationale for Multiple Landowners:*

Consideration of multiple ownership under the NHCP-LTCF program exists to support land trusts in cases where securing lands with multiple ownership is required for the viability of the project.

A project may share up to 2 individual landowners. Any proposed project with more than 2 individual landowners will be considered on a case by case basis, and must provide a clear rationale as to why multiple ownership is essential to the successful completion of the project.

Please explain why multiple ownership is required to complete the project (max 200 words):

Character Limit: 2000

Section 2 - Additional Questions (NACP or NAWMP Conservation Plan)

NACP and/or NAWMP Conservation Plan:

The following questions are a result of the selection of the following answer under Section 2 - Project Information related to the project conservation plan:

- NACP - Natural Area Conservation Plan
- NAWMP - North American Waterfowl Management Plan

CAUTION: It is mandatory that the **name** of the Conservation Plan be provided. If mandatory information is not provided this application will be deemed incomplete.

Conservation Plan Name:*

Please provide the name of the NACP or NAWMP conservation plan, and the specific address and boundaries of the property.

Section 2 - Additional Questions (Conservation Rationale)

Conservation Rationale:

The following questions are as a result of the selection of the following answer in Section 2 - Project Information related to the project conservation plan:

- N/A - a Conservation Rationale must be provided

Given that the project property is not captured under a Conservation Plan, please upload the **Conservation Rationale or Case for Conservation** below: (the **Conservation Planning Framework** is a guidance tool provided to aid in this capacity)

- A sufficient case for conservation (*a Conservation Planning Framework guidance tool is available for use*), which defends how the project property:
 1. meets the Canada Target 1 criteria;
 2. links to conservation initiatives;
 3. identifies the presence of critical habitat for species at risk, etc.; and,
 4. A sufficient rationale that demonstrates the prioritization of the property/project land from a conservation planning standpoint and the significance of

CAUTION: A Conservation Rationale must demonstrate and explain how the project property meets Canada Target 1 criteria as a **priority** for conservation.

If you have any questions, please contact Sonia Blanchard at WHC for support.

Section 3 - Securement Information

Securement Information:

The following questions pertain to the type of securement and resulting requirements of the selected securement type.

Fair Market Value of the Project Land(s):*

What is the Fair Market Value (FMV) of the project land(s) as indicated in the provided appraisal?

Funding can only be used to support projects acquiring land at **no more than 5% above Fair**

Market Value.

Projects in which the land trust intends to pay more than the appraised value must submit a justification demonstrating the value-for-money.

Character Limit: 20

Overpayment Justification:

If the purchase price is more than 5% over the identified Fair Market Value, please upload a justification of the overpayment, **showing strong value for money**:

File Size Limit: 3 MB

Appraisal:***Proof of FMV Document - Appraisal or Other (as indicated)**

NOTE: If a full or draft appraisal (completed in 2021 or 2022) is not available at time of application submission, then an assessment of the value of the project land(s) with clear rationale explaining how the value was determined will be required. **Acceptable documents include:** a recent short form appraisal, a letter from an appraiser outlining how the value was determined, or a rationale and demonstration of market value prepared by the applicant.

If submitting a rationale, it must be dated, signed and include a strong rationale, demonstration of market research and valuation.

NOTE: Appraisals must be completed based on vacant land value only, no land "improvement" value of any kind

FMV of the Conservation Agreement/Easement must be identified in the appraisal.

NOTE: *If the application is successful, a full, recent (2021, 2022) appraisal must be provided to WHC no later than **July 29, 2022** or sooner as completed, and must be submitted no later than 30 days prior to close (whichever date comes first).*

File Size Limit: 14 MB

Appraisal Date Justification:

If you are claiming support of the FMV of the project land(s) via submission of an appraisal that is **more than 1 year old from the time of Application submission**, please provide **confirmation/sufficient explanation demonstrating that the market has not changed** (ex. letter from an accredited appraiser or rationale with market comparables authored by the applicant land trust):

Character Limit: 3000

Fair Market Value of Donated Portion of Land(s):

If this is a split receipt project, what is the Fair Market Value of the **donation portion** of the split receipt gift or conservation agreement?

Character Limit: 20

If applicable, please upload supporting document:

File Size Limit: 2 MB

Buildings/Structures(s)/Structural Element(s):

Please list any **building, structure or structural element** that exists on the project property, including but not limited to: cottage, home/residence, bunky, shack, driveway, access road, walking trails, dock, etc.

Please explain the regulations associated with any named building, structure or structural element existing on the property i.e., planned severance(s), permitted use, regulations, etc.

CAUTION: Any existing mortgage, lease or other financial encumbrance existing on title must be **fully discharged before or upon closing**.

Character Limit: 2000

Financial Encumbrances at Closing:*

The property will be/was free of financial encumbrances (except for existing normal course encumbrances) at time of title transfer

Section 3 - Additional Questions (Closed Project)

Closed Project:

The following questions are as a result of answering "Yes" to the question of if the project is closed in Section 3 - Securement Information.

Signed and dated closing documentation:*

Options accepted at application include:

- Signed and dated Conservation Agreement/Easement
- Signed and dated Agreement of Purchase and Sale (APS) / Donation Agreement

If your document is not one of the above listed, please contact Sonia Blanchard to discuss the document you have available **PRIOR** to submitting an application.

File Size Limit: 5 MB

Post closing title report (transfer deed):*

This is a document received on or shortly after closing that clearly shows the land trust as the new, registered owner.

Please upload the post closing title report, below:

File Size Limit: 5 MB

Baseline Documentation Report (BDR)

Only for Conservation Agreement/Easements.

Please upload the BDR for the project land:

File Size Limit: 2 MB

Section 3 - Additional Questions (Fee Simple)

Please upload the fully signed and dated agreement*

FEE SIMPLE:

Signed Purchase and Sale Agreement / Option to Purchase / Donation Agreement or Intent to Donate.

If a signed Purchase and Sale Agreement (APS) is not available at time of application submission, a **signed** non-binding letter of intent identifying the landowner's interest in proceeding with the project is required.

NOTE: APS/Agreement must be between the applicant organization and the landowner – no transfer of rights to the agreement will be accepted.

NOTE: *If the application is successful, a copy of the signed and dated * APS / Option to Purchase / Signed Donation Agreement or Intent to Donate (if applicable) must be submitted to WHC no later than **October 3, 2022** or sooner as completed, and must be submitted **no later than 30 days prior to close** (whichever date comes first).*

Section 3 - Additional Questions (Conservation Agreement/Easement)

Conservation Agreement/Easement:

The following acknowledgement is required as a result of selecting the securement type "Conservation Agreement/Easement" in Section 3 - Securement Information.

For **CONSERVATION AGREEMENT/EASEMENT ONLY:** This question is REQUIRED for CONSERVATION AGREEMENT/EASEMENT projects. **If this question is not answered, this application will not be considered.**

Upload the signed or unsigned Conservation Agreement/Easement, if available.

If a signed Conservation Agreement/Easement is not available at time of application submission, a dated and **signed (by the landowner) non-binding letter of intent** identifying the landowner's interest in proceeding with the project is required.

Conservation Agreement/Easement

File Size Limit: 3 MB

Baseline Documentation Report Requirement Acknowledgement:*

The Applicant acknowledges and agrees to meet the following NHCP-LTCF requirement, if the project is approved for funding:

- all Conservation Agreements require a **Baseline Documentation Report (BDR)** be developed and signed by the landowner. Where possible, BDRs should be prepared prior to closing and signed by the landowner and land trust at, or prior to, closing. The BDR must also be registered on title, in accordance with Provincial mechanisms.

Choices

Yes

No

Section 3 - Additional Questions (Combination Fee Simple and Conservation Agreement/Easement)

Combination Fee Simple and Conservation Agreement/Easement:

The following acknowledgement is required as a result of selecting the securement type "Combination Fee Simple and Conservation Easement/Agreement" in Section 3 - Securement Information.

Baseline Documentation Report Requirement Acknowledgement:*

The Applicant acknowledges and agrees to meet the following NHCP-LTCF requirement, if the project is approved for funding:

- all Conservation Agreements require a **Baseline Documentation Report (BDR)** be developed and signed by the landowner. Where possible, BDRs should be prepared prior to closing and signed by the landowner and land trust at, or prior to, closing. The BDR must also be registered on title, in accordance with Provincial mechanisms.

Section 4 - Project Budget

Project Budget:

Use of LTCF Funds*

Will LTCF funds be used in part or in full, directly towards the purchase price of the project land(s), OR will program funds be used strictly for associated costs of the project?

Choices

Funds will be used in full or in part directly towards the purchase price of the land.

Funds will be used strictly for associated costs of the project.

Please upload a copy of your Project Budget, using the "**Project Budget Template**".

Section 4 a - Stewardship Endowment Fund - Direct Land Securement

For projects requesting NHCP-LTCF funds for Purchase Price / Cost of Land or Conservation Agreement: The amount of stewardship endowment required under the NHCP-LTCF is determined by using one of the options below.

Stewardship Endowment Funds:*

The applicant must raise stewardship endowment funds based on the following requirements:

- For projects with Fair Market Value (FMV) less than \$50K: Minimum stewardship endowment is \$5K
- For projects with FMV above \$50K:
 - 10% of FMV (with a maximum cap \$400,000); OR
 - The amount calculated as required using the program's approved "**Stewardship Calculator**" tool

Note: a minimum of \$5,000 is required, regardless of which option is used to determine stewardship endowment contribution.
