

Wildlife Habitat Canada Grant Review Criteria - External Habitat Conservation Stamp Initiative

WHC Application Review - External Review Panel	
Habitat Conservation Projects	
Criteria	Scoring Range
Supports NAWMP	aramg mange
- Evaluation of Application Section 5	0-20
- Project connection to NAWMP objectives	
Focus on Direct Interventions for Habitat	
- Evaluation of Application Section 3 and 4	0-9
- Project focus on direct/on-the-ground interventions related to habitat conservation/restoration/enhancement	
Quality/Value of Habitat to be Impacted	0.14
- Evaluation of Application Section 3 and 8 - Species involved, acres involved, estimated location of acres	0-10
Quality and Breadth of Partnerships	0-10
- Evaluation of Application Section 3, 4, 6 and 9	
Future Plans Figure 1 of Application Section 3 and 7	
 Evaluation of Application Section 2 and 7 Well-defined plans for future activities beyond the scope of the project? Long term impacts of the project? 	0-5
Previous funding and project results?	
Additional Points	
- To reflect additional value of the project	0-
TOTAL	. 5:
Conservation Networking Projects	<u> </u>
Criteria	Scoring Range
Supports NAWMP	
- Evaluation of Application Section 5	0-1
- Project connection to NAWMP objectives	<u> </u>
Program Planning Evaluation	
- Evaluation of Application Section 3 and 7	0-10
- Review of the overall program planning and evaluation plans on the success of the program	
Audience	
- Evaluation of Application Section 4	0-5
- Breadth of the projects target audience, overall expected reach of the project, etc.	
Communications Potential	
- Evaluation of Application Section 7	0-5
- Is there a strong strategy to promote the project? Is there potential for communications collaborations with the	
organization and WHC?	
Future Plans	
- Evaluation of Application Section 2 and 7	0-10
- Well-defined plans for future activities beyond the scope of the project? Long term impacts of the project?	
Previous funding and project results? Quality and Breadth of Partnerships	
- Evaluation of Application Section 3, 4, 6 and 9	0-5
Additional Points	
- To reflect additional value of the project	0-9

Wildlife Habitat Canada Grant Review Criteria - Internal Habitat Conservation Stamp Initiative

WHC Application Review - Internal Habitat Conservation Projects Criteria Scoring Ra Total Land Area (conserved/restored/enhanced) - 1-50 acres of habitat = 0-4 points - 51+ acres of habitat = 5-10 points Focus on Waterfowl/Migratory Game Birds - Focus on waterfowl species/wetland associated migratory game birds/species at risk	
Criteria Scoring Rai Total Land Area (conserved/restored/enhanced) - 1-50 acres of habitat = 0-4 points - 51+ acres of habitat = 5-10 points - 51+ acres of habitat = 5-10 points Focus on Waterfowl/Migratory Game Birds - Focus on waterfowl species/wetland associated migratory game birds/species at risk	
Total Land Area (conserved/restored/enhanced) - 1-50 acres of habitat = 0-4 points - 51+ acres of habitat = 5-10 points Focus on Waterfowl/Migratory Game Birds - Focus on waterfowl species/wetland associated migratory game birds/species at risk	nge
- 1-50 acres of habitat = 0-4 points - 51+ acres of habitat = 5-10 points Focus on Waterfowl/Migratory Game Birds - Focus on waterfowl species/wetland associated migratory game birds/species at risk	
Focus on Waterfowl/Migratory Game Birds - Focus on waterfowl species/wetland associated migratory game birds/species at risk	0-10
- Focus on waterfowl species/wetland associated migratory game birds/species at risk	
	0-3
Participation in On-the-Ground Programs Considers the number of anticipated participants (in person days)	0-10
- Considers the number of anticipated participants/in-person days Voluntary Preventative Measures/Stewardship	
- Encompasses a wide range of voluntary actions	0-2
- # of landowners involved, amount of in-kind contribution, etc.	
Waterfowl/Migratory Game Bird Hunting	
- Allowance for access to migratory game bird hunting	0-5
- Plans to acknowledge the contributions of hunters to conservation	
Multiple Project Partners	
- 1-3 partners = 0-2 points	0-5
- 3+ partners = 3-5 points	
Match Ratio/Funds Leveraged Tetr/ partner contributions in comparison to the WHC funding request.	0.44
- Total partner contributions in comparison to the WHC funding request - Minimum 1:1 match ratio (excluding government funds)	0-10
TOTAL	45
Conservation Networking Projects	
Criteria Scoring Ra	nge
Total Land Area (conserved/restored/enhanced)	
- 1-10 acres of habitat = 0-2 points	0-5
- 11+ acres of habitat = 3-5 points	,
Project Focuses	
- Connection to wetland education, hunter education and hunter recruitment	0-5
Waterfowl/Migratory Game Bird Hunting	
- Clear focus on waterfowl/migratory game birds	0-5
- Plans to acknowledge the contributions of hunters to conservation	
Participation in On-the-Ground Programs	0-10
- Considers the number of anticipated participants/in-person days	
Voluntary Preventative Measures/Stewardship	0.5
- Encompasses a wide range of voluntary actions - # of landowners involved, amount of in-kind contribution, etc.	0-5
Multiple Project Partners	
- 1-3 partners = 0-2 points	0-5
- 3+ partners = 3-5 points	0.5
Match Ratio/Funds Leveraged
